

Kihei Community Association

*"Working together to shape our Community's future"*

## Membership Application/Renewal

As volunteers we work hard to keep you informed about what is happening in our community and we work to keep the lines of communication open to the State and County Government. KCA is called on by the county to represent the wishes of the community. We need your help.

**Please renew right now! You can simply sign up and pay by credit card at our website:**

<http://www.gokihei.org/membership/join-kca/>

**Or you can fill out the membership form below and mail it in with your check for the annual dues.**

In the last year, the KCA has worked with county government, law enforcement, other community organizations, businesses, and individuals like you on growth, safety, infrastructure, and quality of life issues in order to ensure that Kihei remains the best place on Maui to live. In the coming year, our to-do list is long and includes bringing a high school and hospital to Kihei, ensuring our parks are upgraded and maintained, and working with developers to ensure growth is managed and responsible.

We cannot continue our work in Kihei without your support. Please, send in your renewal today. Give us a call at 879-5390 with any suggestions or to request information about how you can volunteer to help Kihei causes. We always appreciate your help.
